Sunday Gospel Reflection

A friend of mine is a young priest who teaches high school physics at a Catholic boys' prep school. Like many today, the boys often think science and religion are enemies. So, he delights in their raised eyebrows when he reminds them his first full-time job as a priest was to be an astrophysicist. He cataloged the size, shape, and matter of distant stars. He tells them, "Science gave me more love for God, not less."

The Magi were something like scientist-astronomers. Like today's scientists, they employed disciplined methods of discovering dependable patterns in the world. Their rigorous commitment to the truth led them to the joy of discovering Jesus. Their love for knowledge leads them to worship the Source of all knowledge. Luke says of them, "They were overjoyed at seeing the star."

We may see the universe as cold and empty and feel sad. But why should we do that? The Magi, like my priest-friend, show us there is another way to experience the world. We use our intelligence to discover the beautiful patterns in the world — in mathematics, physics, astronomy, biology, neuroscience, and so on — and allow this to lead us to greater love for God. So, my fellow Magi: the world needs us to be overjoyed at finding God in science and, finally and fully, in Jesus.

— Father John Muir ©LPi

Reflexión del Evangelio

Existe un refrán popular que dice así: "No hay peor sordo que el que no quiere oír". Y le agregaría el que no quiere ver. Los Magos del Oriente no se hicieron sordos ni ciegos, sino que, presurosos siguieron la estrella que los guiaba a Jesús. Preguntaron y escucharon su historia, por aquello de no perderse del lugar donde se encontraba aquel famoso recién nacido. "¿Dónde está el rey de los judíos que acaba de nacer? (Mateo 2,2). ¿Dónde está Jesús en nuestros días? ¿A quién hemos preguntado donde encontrarlo? Quizá, se encuentra en los corazones de los padres de familia que han perdido a sus hijos(as) en la violencia, o tal vez está ahí donde el inmigrante sufre y muere luchando por una vida mejor.

La liturgia de este Domingo de la Epifanía, manifestación de Jesús como salvador de todos los pueblos, nos invita a no ser oyentes pasivos sino activos, comprometidos a la esperanza de una sociedad mejor. La voz del Papa Francisco es el eco de Dios que motiva a ver la luz de la estrella reflejada en el corazón de todo aquel que desea la paz. "El día de hoy debemos sentir cerca a los Magos, ellos tenían el corazón abierto al horizonte: «Vieron la estrella porque se habían puesto en el camino» (San Juan Crisóstomo). Su ejemplo nos anima a contemplar la estrella y a no conformarnos, sino a dejarnos fascinar por la bondad y la verdad. Ellos reflejan la imagen de todos los que no dejamos de levantar la mirada hacia el firmamento, poniendo en nuestro camino a nuestro Dios, Rey del Universo". ©LPi

Prayer for Pope Benedict XVI

Almighty ever-living God, who made Pope Benedict XVI a wise teacher of your people, a gentle shepherd of your flock, and a faithful pastor of your Church, grant in your kindness that your humble servant, who in this life believed in you and loved you, may now receive your mercy and rejoice in your presence for ever in the glory of the Saints. Through Christ our Lord. Amen. (USCCB)

Oración por el Papa Benedicto XVI

Dios todopoderoso y eterno, que hiciste al Papa Benedicto XVI sabio maestro de tu pueblo, suave guardián de tu rebaño, y fiel pastor de tu Iglesia: concede, en tu bondad, que tu humilde siervo, que durante su vida creyó en ti y te amó, reciba ahora tu misericordia y goce de tu presencia para siempre, en la gloria de los santos. Por Cristo, nuestro Señor. Amén. (USCCB)

Santo Niño

For the Filipino and their families, faith has always been an important aspect in life. Here in the Archdiocese of Los Angeles, the Filipino Community has been one of the largest populations in the United States. One of the traditions the Filipinos have brought over is the Feast of the Santo Niño, which is traditionally celebrated every 3rd Sunday of January. The Santo Niño was a gift given to the King and Queen on the day of their baptism. The Santo Niño is one of the oldest images of Christianity in the Philippines, as a symbol of hope and faith. This year the Philippines and the Filipino Catholics across the globe celebrate 500 years of Christianity in the Philippines.

We invite you to join us and our Filipino community to our Annual Santo Niño Mass on
January 15 at 10:45am.

There will be a small fellowship after Mass.

Why do we do that?

How are the feasts of the baptism of Jesus and the account of the wedding feast of Cana related to the Epiphany celebration?

The Epiphany season focuses on revealing Jesus to the world. Following the Christmas celebration, the liturgical year lays out a series of manifestation points in which Jesus is made publicly known. From its very beginning, the Christian community highlighted three events in the life of Jesus. These are the Epiphany, the Baptism of the Lord and the wedding feast at Cana.

The Epiphany discloses Jesus to the world of the Gentiles, represented by the magi from the East. The accounts of Jesus' baptism reveal his identity and mission, along with exposing him to those to whom he was sent to minister. The miracle of turning water to wine at the wedding feast of Cana, unique to John's Gospel, is the first public sign that Jesus performs, thus manifesting his public identity and his powers.

Today in the Roman Church, these are usually celebrated on three successive Sundays: Epiphany, the Baptism of the Lord which is usually the next Sunday, and the wedding feast of Cana, which is proclaimed on the 2nd Sunday of Ordinary Time in lectionary year C. These feasts connect around the concept of epiphany, public manifestation of Jesus to the world. They help us get to know more intimately who Jesus is and what he is about. Spend some time delving more deeply into your understanding of who Jesus is. Continue to cultivate these "epiphany" moments in your life. ©LPi

Did you know?

L.A. Catholics work together to protect children

Did you know that the Archdiocese of Los Angeles requires all staff members, and volunteers who work in any capacity with or around children, the elderly, or people with special needs, to complete the VIRTUS® Protecting God's Children for Adults program? This program helps prevent child sexual abuse by raising awareness among staff and volunteers, and educating them on warning signs of abuse, potentially unsafe or inappropriate scenarios, and how to respond to suspicious behavior. Adults who undergo VIRTUS® training also learn the five steps to help prevent child sexual abuse. For more information, visit <https://lacatholics.org/education-and-training/>.

¿Sabia Usted?

Los católicos de Los Ángeles trabajan juntos para proteger a los niños

¿Sabía que la Arquidiócesis de Los Ángeles requiere que todos los miembros del personal y los voluntarios que trabajan en cualquier capacidad con o cerca de niños, ancianos o personas con necesidades especiales completen el programa de VIRTUS® para adultos, "Protegiendo a los niños de Dios para adultos"? Este programa ayuda a prevenir el abuso sexual infantil creando conciencia entre el personal y los voluntarios, y educándolos sobre las señales de advertencia de abuso, escenarios potencialmente inseguros o inapropiados y cómo responder a un comportamiento sospechoso. Los adultos que reciben capacitación VIRTUS® también aprenden los cinco pasos para ayudar a prevenir el abuso sexual infantil. Example of our Faith

Servant of God Leonard LaRue

Leonard LaRue, or, Benedictine Brother Marinus LaRue O.S.B., had his cause officially opened for sainthood in June 2021. This incredible man was born in Philadelphia on January 14, 1914, and died on October 14, 2001, at the age of 87.

While captaining the 7,600-ton U.S. Merchant Marine ship, the SS Meredith Victory, during the Korean war, Leonard led the largest humanitarian rescue operation by a single vessel in history, whether during war or civilian conditions. Under his leadership, his crew and he evacuated 14,000 Korean refugees, including women and children, to safety. To accomplish this, he swiftly unloaded all cargo from the freighter and allowed as many refugees as could possibly fit into the five empty cargo spaces and onto the deck. Despite the extreme cold, lack of adequate food and water, the fact that the crew didn't know Korean, and the refugees didn't know English, communist submarines hunting for them, and constant shelling and fighting nearby, he managed to transport all 14,000 refugees 490 miles southeast to safety. They arrived at Geojje Island on Christmas day with no injuries along with 5 additional people added to their numbers as 5 women gave birth during the treacherous two-day ordeal.

LaRue's successful deliverance of those under his protection spoke volumes of his bravery and love of those who were victims of war and violence. According to the U.S. Department of Transportation Maritime Administration, his mission is remembered as a Christmas miracle and "One of the greatest marine rescues in the history of the world." Captain LaRue remained in command of the Meredith Victory until it was decommissioned in 1952. Inspired by the Benedictine monks, Leonard entered St. Paul Benedictine Abbey in New Jersey as a monk in 1954 shortly after the decommissioning of his ship. There, he lived out the rest of his life as Brother Marinus LaRue in prayer among the brothers of his religious community. He was the Abbey's dishwasher, bell ringer, and gift shop attendant.
